Notes:

- Maintenance windows do not include emergency patching, urgent security fixes, or other unexpected operational activities that require downtime
- Maintenance windows may or may not be used. There will be no notification if a maintenance window is not implemented
- During the maintenance window, no down-time or impact to the user community is anticipated
- All maintenance notifications are posted on the production environment
- All lower tier maintenance (dev, test, int) will be performed on an as needed basis; with no down-time expected or impact to the user community
